

**An Official Scholarship Program of the
Miss Alabama and Miss America Pageants**

2009-2010 Sponsorship Opportunities

The Miss America Organization is one of the nation's leading achievement programs and the world's largest provider of scholarship assistance for young women. Last year, the Miss America Organization and its state and local preliminaries made available more than \$45 million in cash and in-kind scholarships. This scholarship assistance is not just for the handful of young women who become Miss America, but is available to the over 12,000 young women who participate in the state and local competitions all over America.

As a preliminary to the Miss Alabama Pageant, Miss Birmingham provides an arena for young women ages 17 to 24 from the greater Birmingham area to compete for scholarship assistance to further their education.

You have the opportunity as a sponsor of Miss Birmingham 2009 to help fund the dreams of Birmingham's young women by providing cash scholarships, gift certificates and in-kind scholarships to this year's contestants.
